Exhilarate (DVD): the ultimate Zumba fitness DVD experience.

"The Zumba program was created in the 1990's by Colombian native Alberto "Beto" Perez, a celebrity fitness trainer and choreographer for International pop superstars. Inspired by the traditional cumbia, salsa, samba and merengue music he grew up with, Beto paired his favorite pulsating Latin rhythms with the red-hot international dance steps his clients loved and the first Zumba fitness-party was born"--P. 7 of program guide.

Dennis, a painfully shy 38-year old body builder who would like to find true love, has never had a girlfriend and lives with his mother in a suburb of Copenhagen. When his uncle marries a woman from Thailand, Dennis decides to try his own luck on a visit to Pattaya as it seems love is easier to find there. Knowing his mother would never accept another woman in his life, he lies and tells her he is going to Germany for a competition. Pattaya turns out to be a cultural shock for him. The intrusive Thai girls shatter his naive picture of what love should be like. He is about to lose hope when he unexpectedly meets the woman of his dreams.
